

# Olight Baton 3

**NEW**

**NEW**

The Baton 3 Premium Edition is the upgraded version of the previous S1R Baton II with a groundbreaking portable wireless charger. Never worry about battery life again!

## ✓ Take Your Pocket Light Up A Notch

With a max 1,200-lumen output and a 166-meter beam distance, the baton 3 increased by 20% and 14% compared to the previous S1R Baton II.

## ✓ Improved Efficiency And Runtimes

## Olight Baton 3

The battery life of the Baton 3 lasts up to 20 days. With the premium edition, the battery life can reach 94 days with the wireless charging case charging the Baton 3 up to 3.7 times.

### ✔ New Texture, Better Grip

The Baton 3 has the same compact body as the S1R Baton II, but with a new anti-slip body texture for a more refined look and enhanced grip.

### ✔ Hands -Free Convenience

The dual-direction pocket clip, as well as the flat magnetic tail cap, can be attached in different circumstances for hands-free work.

### ✔ Baton 3 Wireless Charging

The premium edition wireless charging case enhances runtimes on-the-go (compatible with Baton 3 and S1R baton II), which includes two indicators to show your power output and input.

### ✔ Wireless Charging On The Go

The wireless charger includes a 3500mah built-in battery that can charge the baton 3 up to 3.7 times. With a compact and portable design, this is perfect for charging on-the-go.

### ✔ A Premium EDC Combo

The initial release includes 3 different immaculate colors with matching charging cases. Carry the ultimate compact flashlight in style.

# Olight Baton 3

## TAKE YOUR POCKET LIGHT UP A NOTCH

**1,200** Lumens | **166** Meters

A meaningful upgrade from the S1R Baton II, our currently most popular pocket light.

## Olight Baton 3

### NEW TEXTURE, BETTER GRIP

The same tiny 2.48-inch-long body comes with a finely-milled new texture.

Still utterly portable, but looks more exquisite with enhanced grip.

### HANDS-FREE CONVENIENCE

Clip it onto a cap brim or backpack strap in either direction, or attach its magnetic tail onto any iron surface. Rugged enough to survive occasional water immersion and falls.

## Olight Baton 3

### A CUSTOMIZED POWER BANK FOR BATON 3

Tailor-made for the Baton 3. It takes in power via the popular Type-C port and pumps out power via a magnetic port, making charging a breeze.

### WIRELESS CHARGING ON THE GO

CHARGE  
**3.7** TIMES

BUILT-IN BATTERY  
**3500** mAh

Small, portable and wireless, the charger works well while put in your backpack or pocket.
