✔ Two Switches, More Options

Easy to operate with a quiet tail switch and a functional side switch that can indicate the battery or lock status.

TWO INDEPENDENT SWITCHES

Activate the light through two independent switches - the side switch and the tail switch.

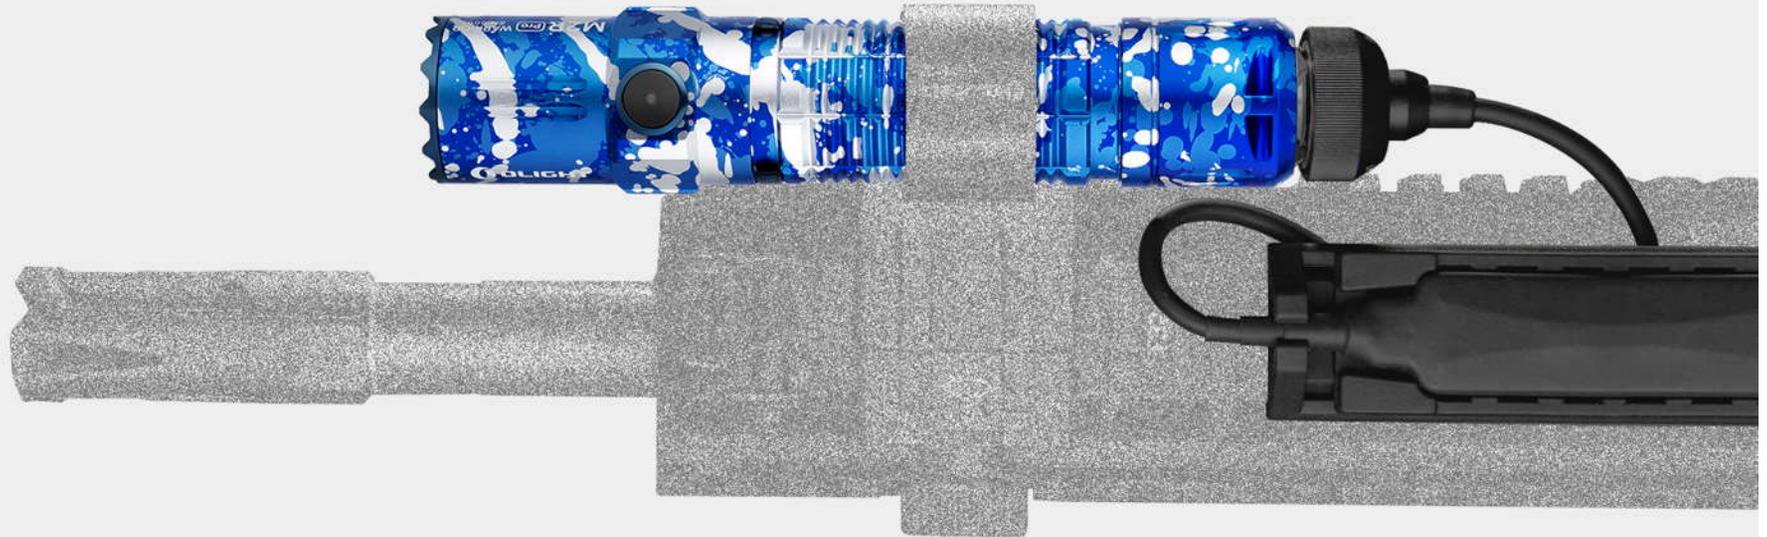

Olight M2R Pro Warrior Ocean Camouflage

✔ Compatible with Optional Magnetic Remote Switch

Using the magnetic remote pressure switch and rail mount, it can be converted into a high-quality WML for use on any picatinny rail.

MAGNETIC REMOTE SWITCH SETUP

The remote switch can be magnetically attached to the flashlight tail cap for remote activation.

Olight M2R Pro Warrior Ocean Camouflage

✔ Versatile Carry Options

It can be carried in a pocket, attached to a hat brim, or even a backpack strap, bringing you a better hands-free experience.

HANDS-FREE CONVENIENCE

The lanyard, the detachable dual-direction clip and the quality holster are great accessories for hands-free on-duty carry.
