

Olight O-Tool Ti

Note: O-Tool Ti can't be used for climbing

✔ Olight's Branded Six-In-One Titanium Alloy Snap Hook

The only one ultra-compact, lightweight yet reliable multi-purpose tool you need.

✔ Sharp Blade

The built-in foldable pocket knife is made of premium AUS-8 stainless steel. This durable precision-honed sharpened edge makes clean, accurate cuts with corrosion resistance. Be prepared for anything: cut your fruit, open your package, sharpen your pencil, cut the plastic packing straps.

✔ Bottle Opener

Can work as a keychain bottle opener, a solid and durable tool to carry every day.

✔ Emergency Glass Breaker

Featuring a tough zirconia ceramic ball and working as an escape tool, it can be used to break the window glass and help you out from your vehicle or house in an emergency.

✔ Easy-To-Use Hook

The tough hanging hook is perfect for backpack, keyring, chains, etc. Convenient and easy to carry on. The snap hook also features a quick hang and take-out function by a simple press.
