## ✓ Smart Battery Indicator

Three-color battery indicator with a motion sensor, revealing the battery life in real time. Bright enough to help locate it in the dark.

The advertisement features a black Olight Olantern Mini lantern with a blue band, illuminated and placed on a dark surface. The background is a dark, blurred indoor setting with people and warm lights. The text 'SMART BATTERY INDICATOR' is prominently displayed in white. Below it, a descriptive sentence is repeated. A legend on the right side of the image shows three colored circles with corresponding battery level ranges: a red circle for '<30%', a green circle for '>70%', and an orange circle for '30%-70%'. A thin white line connects the indicator on the lantern to the legend.
